DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 and 24 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art cited, specifically Vilanilam et al, although teaching a lamp assembly having a support circuit board, a plurality of LED's and a lens encapsulating the circuit board with a flowable material, does not disclose a mold in place lens formed from material flowable about and an encapsulating the circuit board. The Vilanilam et al reference discloses a lens apart from the encapsulating material thus the instant invention overcomes the prior art of record in that difference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
